Growth of 1,952.8 Percent**

NEW YORK, August 14, 2019 – Inc. magazine today revealed that EE Incentives is No. 209 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

EE Incentives, a division of EnergyEarth, has taken an innovative approach to the 100-year old incentive industry by combining traditional incentives, such as gift cards and prepaid cards, with energy efficient and smart home products. This fresh strategy resonates strongly with millennials and has proven to offer substantially higher customer acquisition, retention and loyalty results compared to traditional incentives, all while providing extraordinary positive environmental impact. To date, EE Incentives' solutions have helped over 2M consumers in North America and the U.K. save an estimated \$395M on their utility bills; 2.9B Kilowatt hours of electricity; 7.4B gallons of water; and CO2 emission reduction equivalent to 1.5M trees planted.
